PROTECTION OFFICERS
KNOWLEDGE TO PROTECT**

EDUCATIONAL INSTITUTION MEMBERSHIP APPLICATION

Educational Institution Membership is designed to benefit educators and students at all levels. High Schools, and all post-secondary educational institution including colleges and universities may implement the IFPO programs into their various departments. Vocational schools including the Job Corps have utilized the IFPO programs and services in the past with great success. After implementation and the successful delivery of the IFPO programs often job placement may occur, and the beginning of career enhancement may begin.

IFPO Educational Institution Members receive exclusive benefits:

- **10% discount on all IFPO programs and services.**
- Full access to complete instructional tools such as lesson plans, power points, practice quizzes.
- Administrative support with enrollment, class allocation lists, testing and completion recognition.
- Your listing on the IFPO website with a direct link to your website.
- Authorization to use "Official IFPO Educational Institution Membership along with the IFPO logo on all promotional material, letterhead and business cards.
- Press Release/Announcements distribution to our IFPO Members via our broadcast email.
- IFPO Educational Institution Membership Certificate.
- ***Access to our Instructors Blog where you can network with other instructors and share experiences and best techniques and tools to achieve the best possible success rate for your program?***
- Our valued IFPO Educational Institution Members will receive "State of the Art" digital credentials.

IFPO OBJECTIVES

- ◆ To provide for the education and certification of **Protection Officers** in the United States of America and Canada as well as Internationally.
- ◆ To develop and maintain training standards that will improve the quality of job performance by **Protection Officers**.
- ◆ To establish standards of ethics for **Protection Officers** and to encourage adherence to these standards.
- ◆ To fund research projects that will further the educational opportunities of **Protection Officers**.
- ◆ To conduct seminars and other educational projects to enhance the continuing education of **Protection Officers**.
- ◆ To improve the public perception and awareness of the duties and responsibilities of **Protection Officers**.
- ◆ To enhance the knowledge and education of **Protection Officers** through the publication of periodicals, training manuals and security information bulletins.
- ◆ To encourage **Protection Officers** to strive for high levels of career achievement and to gain a broader understanding of the principles of asset protection in the interest of the public, clients, and employees.
- ◆ To affiliate with universities, colleges, and security professionals throughout the private and public security sectors for the purpose of furthering education and certification opportunities for **Protection Officers**.
- ◆ To encourage cooperation between public and private security organizations and recognized law enforcement agencies. To encourage greater understanding, cooperation and appreciation of the benefits that can be realized from joint efforts.
