NOW INTRODUCING

Accredited Canadian Security Professional LEVEL 2

A new Canadian designation from IFPO Canada that combines online learning with hands-on, in-person training.

Gen AI Image

What is ACSP Level 2?

ACSP Level 2 is a hybrid designation by IFPO Canada. To earn it, **complete** both parts:

- **Part 1:** the ACSP online course, available now on the IFPO Canada website.
- ***Part 2:** a 40-hour, in-person course "Incident Response and Conflict Management", which is grounded in Canadian and Ontario law and practice, delivered by IFPO Approved Training Provider, Step Training Inc.

Finish both parts, and you earn ACSP Level 2.

Debuted through RISE Program

ACSP Level 2 was introduced in connection with RISE (Resilient Individuals in Security Employment), a Toronto program delivered for Dixon Hall Neighbourhood Services.

RISE builds a path from training to a job, to a career.

INTERESTED?

Scan to register your interest.

It takes about 5 minutes. If you're interested, register to get on the waitlist!

***Part 2:** In-person classes will be held in the Greater Toronto Area.

NOTE: Exact dates, times, pricing, and location to be announced soon.

Important notice: Expression of interest only. Joining the waitlist does not enrol you, hold a seat, or promise a place, price, date or location. ACSP Level 2 requires both the ACSP online course and the 40-hour in-person course; it does not replace a provincial security licence and is not required by law or by any employer. "Accredited" refers to the continuing education accreditation of the online course provider, Smart Horizons, not a government accreditation. Dixon Hall Neighbourhood Services sets RISE eligibility; interest in ACSP Level 2 does not guarantee acceptance into RISE. Step Training Inc. holds the information you submit and shares it with IFPO Canada only to plan training and contact you about this program. It is never sold and is deleted 12 months after you submit it, unless you enrol or ask to receive news. Responses are stored by Google, possibly outside Canada. To see, correct or delete it, or withdraw consent, contact Step Training Inc. at steptraininginc@gmail.com. Marketing emails need your separate consent; unsubscribe at any time.
